The Work of God in the World!

This year for our World Day of Prayer celebration, many friends and family members came out to join in a structured time of prayer for what God has been doing around the world. Much time was spent praying for the work of Child Evangelism Fellowship locally and globally! It was a solid time spent before the throne of God sharing requests of great importance to our staff and the many who are spiritually

lost world-wide. We had much fun turning the office into a construction zone (the mail man was definitely surprised☺), gathering together in prayer, and fellowshiping over a meal in the end.

Thank you for all who came to share in this sweet time with the Lord!

Currently there are 10 continuing Good News Clubs in the area, and 1 brand new one! A new club started this fall with three kids on the first day!

At this point, there are 39 teachers at these various schools. However, there are roughly 172 students attending! The ratio here is kind of fun, it boils down to approximately 1 teacher to every 5 students! ☺

The ratio is a combined figure for all the clubs, but some clubs have a ratio of 1 teacher to 10 kids and could sure use your help! Would you join a team at a school near you?

Week before Thanksgiving,
 I limp around real strange.
 Huddle in the corner,
 As though I have the mange.
 All the other turkeys,
 Just gobble, gobble on.
 I'm silent, and I act
 As if my gobbler's gone.
 Everyone is thankful
 On Thanksgiving Day.
 Friday it's forgotten.
 You all go on your way.
 I know what thankful is
 So listen when I say.
 "It's great to be a turkey,
After Thanksgiving Day."
